Action taken report on Feedback Analysis -2021-22

This Action Taken Report (ATR) details the measures implemented and planned in response to the student feedback collected feedback form distributed at the end of the Spring 2022 academic semester. The primary goal of analyzing this feedback is to continuously improve the quality of academic delivery, infrastructure, and administrative support services.

Survey Period: March 15 –March 30, 2022

Purpose: To identify areas of strength and areas requiring immediate improvement across all academic and non-academic domains.

Mandatory Case Studies. All department heads must ensure every core course module integrates at least one contemporary case study or practical simulation.

Conduct a mandatory professional development workshop focused on "Bridging Theory to Practice" for all teaching faculty.

Equipment Procurement. Allocate emergency funds for the immediate purchase of new digital equipment labs.

Wi-Fi Upgrade. Increase backbone bandwidth and install new high-density access points in the library, student center, and lecture halls.

This Action Taken Report (ATR) details the measures implemented and planned in response to the student feedback collected via the online feedback form distributed at the end of the Spring 2023 academic semester. The primary goal of analyzing this feedback is to continuously improve the quality of academic delivery, infrastructure, and administrative support services.

Survey Period: May 15 – May 30, 2025

Purpose: To identify areas of strength and areas requiring immediate improvement across all academic

All department heads must ensure every core course module integrates at least one contemporary case study or practical simulation.

Wi-Fi Upgrade. Increase backbone bandwidth and install new high-density access points in common areas and lecture halls.

Library Book Purchase. Allocate budget for purchasing new editions and student-recommended titles to update the core library stock.

Library Hours Extension. Extend library operating hours on weekdays by one hour starting immediately.

Standardized Office Hours. Mandate a minimum of three dedicated office hours per week for all full-time faculty, with schedules to be posted on the departmental website.

The Institutional Quality Assurance Cell (IQAC) will monitor the progress of all actions. A mini-survey focusing specifically on these improved areas will be conducted mid-way through the Fall 2024 semester to assess the immediate impact of these changes.

5. Conclusion

The Spring 2024 feedback cycle was highly valuable in identifying actionable areas for institutional improvement across academic resources and infrastructure. By implementing these measures, we aim to demonstrate our commitment to enhancing the student experience and ensuring a high-quality learning environment.
